**NOTIFICATION OF DRAFT MEASURES - MARKET OF TRANSIT SERVICES IN THE
PUBLIC NETWORK PROVIDED AT A FIXED LOCATION**

Dear Sir/Madam,

The Communications Regulatory Authority of the Republic of Lithuania (RRT) in line with its tasks and obligations set in the Law on Electronic Communications of the Republic of Lithuania, transposing the European Union regulatory framework of 2002, has conducted an analysis of the wholesale market of transit services in the public network provided at a fixed location. The said market is not included in the Annex to the Commission Recommendation of 17 December 2007 (2007/879/EC) on relevant product and service markets, but is included in the Annex to the Commission Recommendation of 11 February 2003 (2003/311/EC) as Market 10.

The first round of analysis of Market 10 was notified to the Commission in 2005 and registered under case reference LT/2005/0319 where two individual markets were defined. In the current analysis of market 10, four individual markets were defined.

RRT organized a national consultation from 19 May 2014 to 19 June 2014 where RRT received comments from market players and received no comments from the Competition Council of the Republic of Lithuania.

This notification is submitted in line with Article 16, Paragraph 12 of the Law on Electronic Communications of the Republic of Lithuania transposing Article 7, Paragraph 3 of the Directive 2002/21/EC of the European Parliament and of the Council on a common regulatory framework for electronic communications networks and services.

This notification contains the following documents as regards the wholesale market of transit services in the public network provided at a fixed location (further referred to as "Market 10") (non-confidential):

1. Summary notification form of Market 10.
